## **3\_ Profile of Organization**

T Eastern Edge Research & Data Services

Visit us at [www.teerds.in](http://www.teerds.in)

## **TEERDS** *Vision Redeemed*

Year, 2004 marked the formation of The Eastern Edge with a group of young professionals of varied fields. Equipped with enthusiasm, energy and motivation to change the world, the youth group opted for perfection through professional approaches. Young minds under the valuable guidance of sector specific experienced leaders sharpen their skills and ability and earned experience through working in various organizations. The Eastern Edge has now grown up with its skilled, energetic, confident and experienced professional troops and ready to combat the problem of professional approach in planning, formulating, focused research, training, monitoring & evaluation, implementation and documentation. In 2006, The Eastern Edge expanded its wing as TEERDS (The Eastern Edge Rural Development Society) under society registration act XXI of 1860, provides its consultancy services to different organizations, firms, national or international agencies or whosoever willing to enjoy development at its new height with a vision of new India. TEERDS mainly focused to Research and Impact assessment, Implementation, Monitoring & Evaluation, Trainings and documentation. In order to cater the requirements of private sectors, new chapter of TEERDS begin with '**T Eastern Edge Research & Data Services Private Limited**' (**TEERDS PVT. LTD.**) in 2013 under which manpower support, staffing, professional trainings has been started with DB corp. Ltd. in Jharkhand and Bihar.

Development of a nation largely depends on the quality of human resources. And development gathers momentum only when the available human resources are potentially equipped with confidence, developed personality, sharpness, experience and qualification.

TEERDS PVT. LTD, for last two years, has developed huge pool of qualified human resources with sector specific experience particularly in Impact assessment, Monitoring and evaluation, market research, survey, Data Entry and analysis and documentation etc with prior subject specific training, vocational training and personality development particularly to youths.

In last two Years, TEERDS PVT. LTD. has been involved in assignments like Human Resource Support, Data Entry and Scanning, training, Market Research, Market Survey, Student Marketing, Brand Promotion and Event Management across Jharkhand & Bihar.

Recently, TEERDS group has tie up with Department of Women and Child Welfare, Government of Jharkhand, Jharkhand Mahila Samakhya Society, Jharkhand Education Project Council, DB Corp Pvt. Ltd, Ranchi, Dainik Divya Marathi, Maharashtra, Datamation Consultants Pvt. Ltd, New Delhi. TEERDS has been assigned with the job of vocational training and involvement of trained youths in data entry, Tele calling, supervising; Address verification, Marketing and management of store in the launching phase of Dainik Bhaskar.

## TEERDS Expertise

The Eastern Edge Rural Development Society (TEERDS) has its domination in the following areas\_

1. *Implementation of projects various social issues especially on education, health and livelihood.*
2. *Human Resource Support*
3. *Social Research, Impact Assessment, Social audit.*
4. *Survey (urban & rural), research, analysis.*
5. *Project Planning through Focused Research*
6. *Monitoring & Evaluation*
7. *Training on Capacity Building, Personality Development & Communication Skills.*
8. *Vocational training and involvement of youths in income generation activities.*

T Eastern Edge Research & Data Services

## Geography

For last four year of existence of The Eastern Edge, different initiatives were taken in villages of Ranchi district. As the time passed we gained experience and support from our donors, we extended our wings to other districts of Jharkhand and marked our presence in Bihar also. We are still in the process of expansion and are focusing to reach out in neighbouring states like Orissa, Chhatisgarh, Uttar Pradesh and Uttarakhand. Few assignments in the neighbouring states were taken up on individual basis under different institutions, which paved way for our reach to such states.

Jharkhand being the parent state where The Eastern Edge flourished, has our representatives in 19 districts like Ranchi, Khunti, Ramgarh, Lohardaga, Palamau, Latehar, Gumla, Simdega, E. Singhbhum, W. Singhbhum, Saraikela - Kharsawan Bokaro, Dhanbad, Sahebgunj, Pakur, Godda, Dumka, Deoghar, Koderma & Chatra.

In Bihar, we have experienced hands with pretesting of tools for hand pumps evaluation, module development for TSC as an individual association with different institutions. Similarly, in Orissa and Chhatisgarh we marked our presence with one or two initiatives, focusing on NRHM and education & annual report.
